## **January Time Study Reminder**

January is the beginning of a new year, and the start of another time study month. Please start recording any and all WIC activities this Friday, January 1st. Just as a reminder, supervisors cannot record time for their employees. Also, any and all activities must be recorded. Thank you everyone for your work on this. If you have any questions, please contact Kelly at 444-0909.

## **Nutrition Risk Codes**

The state office has decided to highlight risk codes in the newsletter. These codes will include the definition and a link for the more detailed information regarding the specific risk code discussed. If there are specific risk codes that you would like to see in more detail, please contact [Lacy Little](#) at the state office.

### **Risk Code 411 Inappropriate Nutrition Practices for Infants**

Routine use of feeding practices that may result in impaired nutrient status, disease, or health problems. These practices, with examples, are outlined in the [attached document](#).

## **Breastfeeding Learning Collaborative – Save the Date**

Save the date for the Montana Breastfeeding Learning Collaborative April 25-27, 2016 at Fairmont Hot Springs. [Learn more](#) about speakers, a schedule overview, and registration procedures. We hope to see you there!
